We also want you to be aware of a program created through the CARES (Coronavirus Aid, Relief, and Economic Security) Act called Paycheck Protection Program (PPP). The PPP provides capital to cover the cost of retaining employees during this time. This program is available to the following:

- Small businesses with less than 500 employees (including sole proprietorships, independent contractors and self-employed persons), private non-profit organization or 501(c)(19) veterans organizations affected by coronavirus/COVID-19.

- Businesses in certain industries may have more than 500 employees if they meet the SBA’s size standards for those industries.

- Small businesses in the hospitality and food industry with more than one location could also be eligible at the store and location level if the store employs less than 500 workers. This means each store location could be eligible.

Here is the link for the PPP application. Though the program has been allocated $350 billion, we believe that this stimulus package will be distributed quickly. We don’t want any of our business customers to miss out on this opportunity. We are encouraging all of our customers who might be eligible, to apply as soon as possible.

The completed SBA PPP application can be emailed to: jhenebry@haverhillbank.com, hkorslunds@haverhillbank.com or dropped off at any local branch with Attn: Commercial SBA PPP.
